

FSECC time is here again!

The economic difficulties that we all face are affecting everyone—the charitable organizations in our community are answering exponentially increased calls for assistance and are forced to juggle dramatically reduced resources.

Each year, UCF participates in this important effort to make a positive impact on the community. I hope that you will join me again this year in support of the Florida State Employees' Charitable Campaign. UCF truly is a good neighbor—and we are needed now more than ever.

How you can contribute

On Monday, September 15th, you should receive your email invitation to participate in this year's campaign via ePledge. If you would prefer to do a paper pledge form, one is attached.
